2025-2026 Academic Year

"The best of charity is when a Muslim man gains knowledge, then he teaches it to his Muslim brother."
- Sunan Ibn Majah, Vol. 1, Book 1, Hadith 243

Welcome Message

Asalamu Alaikum

Dear AHC Academy Families,

Welcome to the Abu Huraira Center Academy 2025/2026 school year. Inshallah, we are enthusiastic about embarking on this new journey alongside all of you. We eagerly anticipate the opportunity to meet both our new and returning students, as well as parents, guardians, and valued members of our community.

In this new academic year, let us renew our intentions and aspirations. May this be a time of growth not only in academic knowledge but also in our connection with our deen. As we gather in these halls of learning, we are reminded of the hadith of the Prophet Muhammad (ﷺ): "Seeking knowledge is obligatory upon every Muslim." This pursuit of knowledge, rooted in faith brings us closer to Allah and empowers us to make positive contributions to our community and the world at large.

As we embark on this new chapter, let us remember that seeking knowledge is a lifelong journey. Let us uphold the values of sincerity, perseverance, and gratitude in our pursuit. May this year be filled with moments of discovery, connection, and personal growth. We look forward to the year ahead inshallah, confident that with the support of each other, our families, and our faith, we will overcome challenges and achieve success, both in this world and in the Hereafter.

As we start the new school year, we kindly ask all Parents and Guardians to go through our Parent Handbook. It contains crucial details about school policies and procedures. Should you have any inquiries, feel free to contact us via phone, email, or on our ClassDOJO app. We believe open communication is key for successful education, and we're excited to work together for a productive school year. Your support and suggestions are highly appreciated.

Jazakum'AllahuKhairan,

Sr. Deqa Farah – Principal

Attendance

Regular attendance is very important to your child's school success and is a most necessary habit toward a productive life. Whenever your child is late or absent, pleases call or text the school office (School Cell Phone) to inform us. A written letter must be sent to the office upon the student's return to school, stating why they were absent. Even if a phone call has been made to dismiss the child from school a note is required for written documentation. Without written documentation from a parent or guardian the absence will be marked as unexcused. Examples of excused absences: doctors visits, dental visits, etc. If a student has missed three consecutive days, a doctor's note is needed to excuse the absences.

- Students should be at school promptly by 8:30 AM for their morning dua assembly, and ready to start lessons by 8:45 AM. It is extremely disruptive for the teacher and the rest of the class when a child arrives late.
- When a child is late or absent it is recorded in our attendance management system.
- A late slip will be written, along with a phone call/text message notification sent to the family
- When a pattern of lateness emerges the school is directed to contact the parents or guardians in order to resolve the situation.
- If a student reaches 10+ lates in the school year a letter will be sent home.
- If a student reaches 5+ absences in the school year a letter will be sent home.
- Failure to resolve any continuous lates or absences can result in expulsion from school.
- All attendance is marked down on your child's report cards, and will be documented in the Ontario Student Record.

Visitors/Leaving Early

All Parents and Guardians must communicate via phone call/text/email, and first visit the office before picking up their children early. Parents and Guardians must sign an early pick up form before leaving. We do not allow any visitors or any unauthorized individuals to enter the school property during school hours. Parents/Guardians must notify the administration if another person or relative will be picking up their child. If there is no communication, then the student will not be allowed to leave without the consent of the Parent/Guardian.

- Safety gates and main doors close promptly at 8:50 am each day, and open at 3:15 pm.
- Parents/Guardians must sign a Drop Off/Pick-Up authorization form in September.
- Families of students from Grades 6 – 8 will be sent a form in order to specify if students would be allowed to leave or arrive at school on their own.
- All classroom visits by parents (legal guardians) must be scheduled through the office and/or by the teacher.
- All visitors are required to report directly to the office for a visitor's pass if required, before proceeding to the classroom. Once the appointment has concluded the parent or visitor must return to the office and sign out.
- Parents and Guardians will be allowed to enter the school to speak with office staff as long as an appointment has been made via phone or email.
- Walk in one-on-one meetings with the principal or teachers will not be allowed.

Tuition should be paid on time every month. A payment in the amount of $350 will also be processed for the school supplies/admin fee on August 1st of the beginning of the academic year. We advise that all parents switch to our convenient Pre-Authorized Payment Plan. 2. There will be an NSF charge of $25 for payments that do not go through. This cost will be paid by the parent or guardian responsible for the fees.
3. Failure to maintain regular payments will result in revoking enrollment of students.
4. **Early Withdrawal Processing Fees:** All parents would have to pay a $450 fee if they decide to leave the school during the school year, or within 2 weeks before school begins. This fee will be put in place in order for admin to necessitate the finalization of all student record files, along with the dispatch process to the next school.
5. **Non-Refundable June Fees:** In the beginning of the school year all parents must pay the first and last tuition payments (Sept and June) for the school year. If a parent chooses to withdraw their child mid-year, the June fee will not be refunded. If the June fee has not been paid and a student withdraws early, then both the early withdrawal fee and June fee will be processed ($450).
6. **Temp Leave/Vacation:** If a parent decides to temporarily remove their child from school or go on a vacation there will be no tuition breaks given. All monthly payments will be deducted as usual. Tuition breaks will only be given if a child is severely sick and parents provide a medical note from their family doctor.

Tuition Payment Points

Lost & Found

The Lost and Found area is situated in front of the main sisters wudhu area. Any articles discovered in school will be placed there. If you suspect your child has misplaced something, we recommend checking the area periodically.

It is wise to tag your child's attire and possessions with their name. Possessions within Lost and Found will be either removed or appropriately managed during significant school breaks. The AHC Academy is not responsible for damage or loss of any article that is brought to school by the student.

Homework & Student Assessment Policy

At the AHC Academy, we believe that homework plays an essential role in reinforcing classroom learning, developing responsible study habits, and fostering independent learning skills. Our homework policy is designed to strike a balance between academic enrichment and a child's overall well-being.

1) **Purposeful Assignments:** Homework will be purposeful, relevant, and aligned with the curriculum. It will serve to reinforce classroom instruction, practice skills, and extend learning beyond the school day. They will be designed to challenge and engage students at their appropriate grade level, fostering a sense of accomplishment and self-confidence.
2) **Realistic Workload:** We value a well-rounded education, and therefore, the total time spent on homework should be reasonable and age-appropriate. We acknowledge the importance of a balanced life for our students, including time for extracurricular activities, family, and play.
3) **Support and Encouragement:** Teachers will provide clear instructions and guidelines for all homework assignments. They will be available to address any questions or concerns students or parents may have about the assignments.

Homework Guidelines

1) **Frequency:** Homework will be assigned on a regular basis, with the frequency increasing gradually as students progress through the grade levels. Younger students may have shorter assignments, while older students might have more substantial tasks.
2) **Time Allocation:** We recommend the following approximate guidelines for the daily time dedicated to homework, encompassing the review of Quranic and academic assignments:
    a. **Kindergarten - Grade 2:** 30 - 45 Minutes
    b. **Grades 3 - 5**: 45 Minutes - 1 Hour
    c. **Grades 6 - 8:** 1 Hour - 1.5 Hours
3) **Responsibility:** Homework completion is a shared responsibility between students, parents, and teachers. Parents are encouraged to create a comfortable study environment and provide guidance when necessary.
4) **Feedback and Assessment:** Homework will be reviewed and acknowledged by teachers. Constructive feedback will be provided to students, helping them understand their strengths and areas for improvement.
5) **Extensions and Special Circumstances:** In cases of legitimate reasons such as illness or family emergencies, extensions may be granted. Parents are encouraged to communicate with teachers about such circumstances.

Communication

Regular communication between teachers and parents is vital. The AHC Academy encourages open dialogue regarding homework-related concerns, allowing us to collaboratively support each student's academic journey. By adhering to this homework policy, we aim to empower our students to become confident and self-directed learners. We advise parents and guardians regularly check ClassDojo, Google Classroom, and their emails for class and school updates.

Student Assessments for New Students

At AHC Academy, we implement a provisional period of 4 to 6 weeks for every new student. During this time, we carefully evaluate various aspects of our student's integration into our school environment, including their behaviour, educational needs, social interactions, and overall adjustment to our curriculum and school community. This period allows us to gain a comprehensive understanding of how your child responds to our educational approach and school culture. Based on this evaluation, we will determine if our school is the best fit for your child, ensuring that we can provide the support and environment they need to thrive. Please be advised that the AHC Academy reserves the right to withdraw admission if a student fails to meet the institution's academic standards, or is unable to adapt successfully to our learning environment.

Student Assessments for Current and Returning Students

At AHC Academy, we are committed to fostering student growth through ongoing evaluations and assessments of all current and returning students. Throughout the school year, we assess behavior, educational needs, and other key factors to ensure our school is the right fit for every learner. These evaluations help us determine how best to support each student's development and success. Based on this assessment, we will determine whether AHC Academy can provide the appropriate environment and resources for your child to succeed. Please note that the AHC Academy reserves the right to revoke admission if it is determined that a student is unable to meet the school's standards or integrate successfully into our learning environment. Our priority is to maintain a supportive and productive community for all students.

Health & Wellbeing

The health and wellbeing of all our students is our first priority. Ensuring a healthy learning environment is paramount at the AHC Academy. By following the procedures outlined below, we aim to create a nurturing space where students can thrive, and enable a successful educational journey.

Student Health/Illness

The Abu Huraira Center Academy does not have a nurse on the premises. Our office will only provide general first aid to students as needed. Calling 911(emergency) is required for any and all medical emergencies beyond general first aid.

Please do not send your child(ren) to school if he/she has any of the following symptoms:

- High fever
- Nausea or vomiting
- Evidence of a communicable disease
- Severe headache and/or stomach ache
- Spasm or convulsions
- Any severe accident including cuts or bleeding
- Persistent cough
- Rashes or Pink Eye

There will be cases when parents must show proof in writing that their child has actually received medical attention from a physician and indicating the student's date of return to school.

Lice Policy

Students with head lice will not be granted access to the school premises. Parents will receive a notification and will be requested to promptly address the issue by initiating treatment. Furthermore, parents of students within the same class will also be informed about the case and requested to keep a watchful eye on their child's condition. Parents are obliged to keep their child at home until the head lice have been completely removed. The school may undertake random inspections to confirm the absence of lice within the school environment.

Medication Policy

If your child requires medication during school hours, kindly provide it to the school office with clear labelling containing your child's name, and the accurate dosage information. Prior to the administration of any medication by the office staff, parents are required to notify the administrative team. This procedure applies to both prescribed medications and over-the-counter drugs like Advil or Tylenol. Please assist your child in remembering to visit the office at the designated time for their medication. For safety reasons, students are prohibited from carrying medications themselves, as this could potentially be accessed by other students.

Peanut/Nut Policy

The AHC Academy is a nut free school, meaning that we are a school in which we encourage everyone to be aware of allergies and take the appropriate precautions. We ask our families not to send nuts or peanut butter as we have students with severe allergies. In the case of other severe allergies, parents will be notified of the allergy and asked to respect the student's life-threatening issue, for example, sesame seeds. We sincerely appreciate your cooperation in avoiding the use of these products to assist in our continued efforts to create a safe, caring and inclusive learning environment for all students.

Snack Program

Alhamdulilah, the Abu Huraira Center Academy runs a daily morning snack program for all students. The snack program is primarily sponsored by the Toronto Foundation for Student Success to cover some of the costs associated with the program. Participating students will be provided with a nutritious snack every day. Our snack program will follow the Canada Food Guide for Healthy Eating. We will strive to accommodate all of our students' dietary needs to ensure that everyone can be included in our nutrition program.

Healthy snacks are an important part of keeping kids healthy and ready to learn. Well nourished students are better able to concentrate, remember and apply the things they learn, and are more likely to show positive social behaviors. Children use up energy quickly and need to eat frequently throughout the day. Each snack will include a fruit or a vegetable, a serving of grain, as well as a serving of dairy or protein alternative. Snacks will be varied and will rotate on a weekly basis. These snacks will be nut, sesame, and fava bean free.

Mental Health

Nurturing both academic and emotional growth is a significant part of mental well-being. We are pleased to have Sr. Warda Ahmed, our dedicated school counselor, available to support students in their mental health journey. Whether it's handling challenges, or seeking guidance, her presence ensures that our students have a caring hand to hold. Your mental health matters, and we are here to help all students in their time of need.

Safety & Injury

Injury Policy

The AHC Academy mandates that any hurt or injured students receive sufficient care and attention until their parents, guardians, or designated individuals can take responsibility for their well-being. School employees are required to offer assistance to sick or injured students on school premises and during school events, regardless of the location or time. The following guidelines are to be followed, unless deemed otherwise by the principal or their authorized delegate responsible for the matter:

1. When a student sustains an injury, the teacher or adult in charge, whenever possible, should first assess the nature of the illness or injury.
2. The designated parent, guardian or emergency contact of the student should be notified.
3. If unable to contact the parent, guardian, or designated individual, the student should receive care on the school premises.
4. In the event of an emergency requiring immediate treatment, the student should be transported by ambulance to a hospital, and the parents or guardian should be notified.
5. If the student can be moved safely, they should be brought to the office or medical room for first aid treatment. First aid supplies can be found in the main AHC Academy office.
6. The main teacher, admin, or office staff in charge should contact the student's parents, guardian, or designated individual. They should be asked to provide transportation to the home or treatment center.
7. The decision to send the student home should only be made if the Principal or teacher-in-charge is convinced that it is in the best interest of the student.

Cleaning and Sanitization

The AHC Academy is equipped with full-time cleaning staff during school hours:

1. Classrooms and offices will be cleaned regularly.
2. Areas such as washrooms, hallways, doorways, and communal areas will be cleaned frequently.
3. Hand sanitizers will be present within all classrooms and throughout the school setting.
4. Students will be told sanitize or wash their hands before eating, touching laptops, books, and other shared items.

Fire Drill & Lockdowns

Throughout the year, we conduct school drills and lockdown drills as a proactive safety measure. During fire drills, students are required to form orderly lines, wear footwear, swiftly evacuate the premises, and maintain silence while their teacher checks attendance. In the event of a lockdown drill, students are guided to sit quietly, positioned away from the locked classroom door, in the company of their teacher until the drill concludes. In a genuine emergency situation, the school follows the directives of law enforcement agencies.

General Policies

Office Phone/Cell Phone Policy

The Abu Huraira Center Academy allows all students to use the office phone to call parents at times of need. Cell phones are not allowed to be used in class and outside of class during school hours. Students may keep their cell phones in their bags or in a designated school storage area, and use them after school or before school hours to contact parents at times of need and for emergencies.

Non-Scholastic Items Policy:

To maintain a focused and positive learning environment, we kindly request that parents ensure their children refrain from bringing the following items to school:

1) **Baseball Caps/Hats:** Except during field trips, please discourage your child from wearing baseball caps or hats on school premises.
2) **Expensive Jewelry/Accessories:** We advise against wearing valuable or expensive jewelry and accessories to school, as they can be prone to damage or loss.
3) **Make-Up:** To maintain a respectful and appropriate appearance, we discourage the use of cosmetics and heavy makeup.
4) **Handheld Games/Electronic Devices:** In the interest of focusing on learning and social interaction, we kindly request that students refrain from bringing handheld games, playing cards, or electronic devices to school. Unless specified for a special occasion like class party.

Please understand that these guidelines are intended to create a safe and productive school environment for all students. In the event that any of these items are found, they will be collected and returned at the discretion of the school principal. We appreciate your support in ensuring a positive educational atmosphere for everyone.

Extreme Weather/School Cancellations

If in case there are any storms or dangerous weather occurrences, we will be sure to contact parents through e-mail, ClassDOJO, and through our social media streams. We hope to avoid school cancellations, but we also take student safety seriously and will only do so during extreme weather conditions.
